Museum, COA tax renewals on ballot April 30

West Baton Rouge voters will cast ballots on renewal property tax millages for the WBR Museum and the WBR Council on Aging on Saturday, April 30.

Both millage renewal propositions are for 10 years. The Museum millage is 2 mills, which amounts to $35 per year for a $250,000 home. The COA millage is 2.5 mills, which amounts to $43.75 per year for a $250,000 home. The millages are the primary sources of income for both the Museum, generating $1.16 million in 2021; and the COA, generating $1.45 million in 2021.

accredited by the American Alliance of Museums and the WBR Museum is among those.

In addition, the WBR Museum is the top tourist attraction in the parish. It hosts world-class exhibitions and annual events like SugarFest, Blast from the Past Summer History Camp, and monthly music jams that bring the community together and showcase the parish to a broader audience. Admission to all exhibits and programs is free to WBR residents.

Through culture and educational programming, the museum builds relationships between generations, ensuring that the traditions, pride, and heritage live on – as in its French programs and Blues After School.

West Baton Rouge Museum impacts the community beyond the boundaries of its campus as the anchor institution

COUNCIL ON AGING SERVICES

The West Baton Rouge Council on Aging provides a variety of services to West Baton Rouge senior citizens, including meals, information and assistance, medical alert devices, nutrition education, outreach, family caregivers and respite support, homemaker services, wellness programs, recreation activities, trips, transportation, utility bills assistance and more.

“We try to be a one-stop shop for senior citizens in providing them with services and information that helps them with basic needs that are, in many cases, critical to their health and independence to live at home; and services and programs that enrich their lives,” said Tommie Gordon, Director of the West Baton Rouge Council on Aging.

Upcoming exhibits

Aliento a Tequila (Spirit of Tequila) through May 29 - This photography exhibit explores the landscape, culture, and traditions that gave birth to tequila, Mexico's national drink. Aliento a Tequila celebrates a craft that is rooted deep in the culture of Mexico and connects viewers with the labor and place that produces this popular spirit.

Talented Art of West Baton Rouge - April 8 - May 1 - This exhibit features the works of Talented Art Students in West Baton Rouge Parish Public Schools.

Women of the Blues - April 14 - August 28 - Enjoy portraits of the Women of the Blues during Baton Rouge's Annual Blues Fest. These women command the stage and spread joy and tunes with crowds all over the world.

Three Roll Estate and Alma - May 7 - August 21 - Get an up close look at Alma Plantation and Three Roll Estate and learn about the process of making sugar and rum from sugar cane.

Courting Style - June 18 - August 14 - Tennis has been a popular activity for men and women alike since the 1870s. Drawn from the collections at the Museum of the International Tennis Hall of Fame, Courting Style: Women's Tennis Fashion explores this intersection of tennis and fashion.

WBR Council on Aging services

Continued from page 1

The Council on Aging provides services at the center in Port Allen, as well as to home-bound seniors throughout the parish. A variety of activities, including arts and crafts, bingo, special events, educational programs and health services, such as COVID 19 vaccines, breast and prostate cancer screenings, blood pressure checks and diabetes testing, are available at the center.

Before the COVID 19 pandemic, the Council on Aging averaged serving 61,000 congregate and home-bound meals to participants.

During the COVID-19 pandemic period, it averaged:

- 67,359 meals served to participants;
- 18,750 transportation trips to doctor appointments, shopping, etc;
- 10,325 calls to check on the well-being of our home-bound residents;
- 8,750 wellness units through exercise, health, and wellness programs;
- 15,000 units of recreation, including bingo, cards, entertainment, and trips;
- Nutritional counseling to 671 center and home-bound participants;
- Counseling of 400 participants on medication management, providing pill boxes and pill cutters;
- Commodities and food pantry services to 180 low-income participants;
- Medical alerts devices provided to 10 participants;
- Respite Care services to 9 participants.

“This tax is critical to our operations, providing more than 80 percent of our revenue,” said Gordon. “We hope our local residents get out to vote in this election.”

Activities at your Library

Upcoming Holiday Closures:

Memorial Day – Monday, May 30th

Juneteenth – Friday and Saturday, June 17th & 18th

Independence Day – Monday, July 4th

Saturday, May 14 - 11 am – Tie-Dye Program for children ages 7 and up

Saturday, May 21 - 11 am-12:30 pm – Lego Club for children ages 3 and up

Saturday, May 28 - 10 am – Self-Care Day for adults

Summer programs, presenters are set

The West Baton Rouge Library’s summer reading theme is Oceans of Possibilities, with library activities offered for all ages.

This summer’s in-person program offerings for youth include art, crafts, STEM, and storytimes.

The lineup of guest presenters including a shadow puppet show, a Broadway percussionist, an engaging ukulele show, a magician, a special storyline with the Little Mermaid, and more.

For more information about these programs, be sure to swing by the library, check out our website, or follow us on Facebook.
Walker leads Council in prayer

WBR Parish Councilman Atley Walker, Jr. led the assembly in the invocation at the State Police Jury Association Meeting held in Lake Charles. “Without The Lord opening doors for me to reach out and touch our local community, none of this would be possible,” Walker said. “As the Bible states, ‘With men this is impossible; but with God all things are possible.’”

Walker, Council Members, and parish administration pray before all meetings and have been doing so since early 2021. “It’s important that we seek Godly counsel and Godly wisdom when making decisions that impact our local communities. The Bible tells us, ‘And all things, whatsoever you shall ask in prayer, believing, you shall receive,’” Walker said.

West Baton Rouge Parish, administration and council have faith for continued infrastructure improvements, educational improvements, and improvements of services delivered to our elderly community. “We live in a time when local governments, state governments, and federal government agencies desperately need prayer,” Walker said. “Our country was founded upon Christian values.”
Protect yourself from summer burglaries

The West Baton Rouge Sheriff’s Office advises residents to be aware that both vehicle and home burglaries increase in the summer months.

Residents can protect themselves from vehicle burglaries by taking these precautions:

- Lock your vehicle doors
- Remove your keys from the vehicle
- Don’t leave valuables in your car
- Do not leave a spare key near the vehicle
- Close the vehicle windows
- Park in well-lit areas
- Install an audible alarm system and anti-theft device

If going on a vacation, take these security measures:

- Make sure all doors and windows are locked
- Set exterior lighting on timers
- Don’t leave spare keys outdoors
- Set some interior lights on timers
- Don’t broadcast your location on social media
- Make sure all valuables are secured
- Stop newspaper deliveries and mail deliveries or have someone pick up each day.
- Arrange for lawn care if you will be gone an for an extended time

Grants help Sheriff’s Office gear up capabilities for severe weather

The West Baton Rouge Sheriff’s Office has received several federal grants to help prepare for hurricane season and the increased number of severe weather events that have occurred in recent years. A trailer that was donated to the Sheriff’s Office by the WBR Office of Homeland Security was converted into a bunk trailer complete with restrooms in case deputies have to stay in a devastated area for several days at a time.

In addition, a cook trailer that has been in service since 2008 had leaks and aging equipment. It was refurbished thanks to a grant. Other equipment donated or purchased with grant funds include two high water ATV units, side by side units, and stand-by generators. “We have about $500,000 of equipment, but it cost the Sheriff’s Office less than $50,000,” said Sheriff Mike Cazes. “It is important to have these capabilities to secure our parish if needed after severe weather, and to help our neighbors in times of need.”

Addis road improvement program set this summer

The Town of Addis will bid out its 2022 road improvement program this summer, with seven roads to be repaired and overlaid. The $680,000 road program is larger than past annual town budgets for road improvements, but was necessary to address needed repairs.

By far the biggest project is the milling and overlaying of Sugar Plantation Parkway, at a cost of $264,000. Other roads on the list include Sugar Mill Parkway, Belle Vale Drive, Aubrey Ann Drive, Boulevard Acadian, Rue Saint Patrick and Rue Dauphine. The Town Council approved the project at its April meeting.

New name for concert series

The town has renamed its Friday evening music concert series to Rockin’ on the Railroad. Mayor David Toups said the new name better reflects the town’s railroad history and the event is held at the Addis Railroad Park. The old name was Live At 5 on the Westside.

The popular Friday evening concerts are back after a two-year absence due to COVID. The Spring lineup includes three concerts, and another three concerts are set for this fall. (See flyer at right).

“We are excited to get the concerts back,” said Mayor Toups. “It’s a great way to bring the community together for some fun, and build community pride.”

TOWN MEETINGS:
Town Council - 1st Wednesday of month, Town Hall, 6 pm
Planning & Zoning - 3rd Tuesday of month, Town Hall, 6 pm
Construction begins on sidewalk linking parks

Construction of a sidewalk connecting St. James Park to Alexander Park will be underway by May. The project is part of the West Baton Rouge Parish Heritage Trailway system. This trail will be called the Joliet Trail in honor of the Mississippi River explorer, Louis Joliet. The parish trail system already has trails named the DeSoto Trail (levee-top trail), and will begin the Acadian Trail in Addis next year.

The $1.16 million project is a 5 feet wide path connecting the existing sidewalk on West St. Francis Street near La. Hwy 1, and extending down East St. Francis Street to the River Road, where it will turn and continue down River Road to the St. James Park being constructed by the Town of Brusly. The new sidewalk will extend over the railroad crossing at La. Hwy 1 to the south side of East St. Francis Street.

The project includes installing culverts on a portion of St. Francis Street and all along the east side of the River Road at the toe of the levee. The parish is getting $935,000 in federal/state funding for the project, and is funding $233,000 of it. The project is expected to be completed by the end of this year.

PA basketball, powerlifting teams honored at meeting

The Port Allen City Council and Mayor Richard Lee honored the Port Allen High basketball team and the girls powerlifting team for winning their state championships in March. Shown in the top photo at left is the powerlifting team, and in the bottom photo at left is the basketball team.
Kite Fest adds inflatables, heavy attendance expected

Kite Fest, now one of the premiere events of the WBR Conference & Visitors Bureau, had a great turnout last year, and a bigger turnout is expected this year, provided the weather is good.

“We invested in some additional social media advertising, and that has sparked a lot of calls and contacts, so it is looking very promising,” said Director Kathy Gautreau. “The fireworks show on Saturday evening is great, and is a good draw, and we have also added inflatables for the kids this year.”

Set for April 30 and May 1, the kite fun is located at the WBR Soccer Complex in Port Allen. See info at right.

Meanwhile, the Bureau staff is staying busy with increased bookings of the Conference Center, including both weddings and social events, along with corporate events. “We are really pleased to see bookings picking up so much,” Gautreau said.

EVENT DATES LISTED!
Mark your calendar!

Kite Fest - April 30-May 1
Oldies But Goodies Fest BBQ Cook-Off - Sept. 10
Oldies But Goodies Fest - Sept. 11
   Featuring That 70s Band, Chase Tyler Band & Car Show
Reflections of the Season children’s event - Dec. 3
Reflections of the Season light display - Dec. 9 & 10

Chamber award honors at annual banquet in March

A large crowd was on hand as the West Baton Rouge Chamber of Commerce celebrated its Annual Banquet in March, honoring business and community leaders.

Pastor James Morrise of Rose Hill Church received the Pride of West Baton Rouge Award. He is pastor of Rose Hill Church in Port Allen, a community activist, hosting back-to-school giveaways, and donation of shoes to children. With his leadership, his church was adopted by Cohn Elementary and actively supports the school.

Olin Corp. was named the Large Business of the Year, and Lyons Specialty was named the Medium Business of the Year. The Small Business Award went to All Outdoor Power Equipment.

Young Professional of the Year Award was given to Toby Willis of Edward Jones Investments, and Patrick Hobbins was named the Volunteer of the Year. Lewy Physical Therapy received the New Business Award.

New Chamber Director Anna Johnson was the emcee. Congratulations to all the winners!
Storage capacity has nearly doubled to accommodate up to 2,000 containers.

The successful public/private partnership between the Port of Greater Baton Rouge and SEACOR AMH has produced steady increases in the number of containers handled at the Port’s barge terminal. As a result, a project to create nearly 4 acres of additional paved container storage capacity has been successfully completed. The yard is now capable of handling approximately 2,000 containers including containers measuring 40 feet, versus 20 feet.

Meet the Big Red Beast.

A 20% efficiency gain in container operations at the Port of Greater Baton Rouge is just one positive outcome of the Port’s new, deep-reach container stacker known as The Big Red Beast. With a telescopic boom for stacking four containers high, shorter loading and unloading times have helped meet the increasing demand for container shipping services between Baton Rouge and New Orleans for area customers. The addition of the custom-made stacker is another component of the Port’s recent expansion of its successful container operations.

For more information, contact Greg Johnson at (225) 342-1660.
Registration opens for fun-filled Summer Learning Program at schools

Parents should be on the lookout for registration for the School Board’s Summer Learning Program, which was wildly popular and successful last summer. The program is open to students in grades Head Start to 8th grade, and will be held Monday through Thursday, June 6-30, from 8 am until noon.

The program includes small English and math learning groups, along with a wide variety of enrichment activities, such as crafts, games, arts and music, tours, field trips, STEM activities and more. In addition, the school system will provide both breakfast and lunch for those participating, along with transportation of the students and all supplies needed.

It will be offered at the following schools: Brusly Elementary, Lukeville Elementary, Brusly Upper Elementary and Brusly Middle, Canevview, Port Allen Elementary, Cohn and Port Allen Middle Schools. Each school will set its program activities.

Schools are sending out registration information the week of April 25, and registration is required by May 6 so that the schools can plan for the program.

Supt. Watts to retire

WBR Parish School Superintendent Wes Watts announced, as this issue was going to press, that he will retire July 31. He has been WBR Superintendent for 8 years. A full article on Watts will be in the July issue of Vision West.

Port Allen basketball, powerlifting teams win state titles

The Port Allen High boys’ basketball team has accomplished a very difficult feat, winning the state LHSAA Class AA championship for the third year in a row! They beat a tough Amite team for the state title in Lake Charles on March 12.
First year Head Coach Dimario Jackson, who was named Class 2A Coach of the Year, said the Pelicans did an excellent job of handling adversity throughout their season, and ended the year with a 24-10 record.
They won four play-off games to get to the state championship game, beating Pickering, Doyle, Winnfield and powerhouse Rayville to get to the championship game. Elliott McQuillan was named the game’s Most Outstanding Player, and First Team All-State. “We had to do a self-check during the season when we lost Jalan Knox, but these guys locked in and did what they had to do to win,” Jackson said. “I want to thank my coaching staff, Principal Jackson and Superintendent Watts for their support. This would not have been possible without them.”

The Port Allen girls powerlifting team took its fourth straight state championship in March, maintaining its status as a top 5 powerlifting program in all classes of Louisiana schools. It scored a total of 57 points, 13 more than second place Pope John Paul High.
Coach Brian Bizette noted that the team, which was undefeated this year, “really bonded and pushed one another, and we are only losing two seniors, so we will be strong next year too.” In addition, he said the team is growing both in numbers and in competitiveness, with 18 team members and more expected next year.
Alexis Alford was named the Outstanding Lifter of the tourney, and 2nd Team All State. She also received a scholarship in powerlifting from Blue Mountain College. Sulma Camaja also made the All State team.
“My assistant coaches did a lot to help train the team, and they deserve a lot of credit for their hard work.”
