Title of Entry*  
Honey Pistachio Cake with Honey Buttercream

Prep Time*  
30 minutes

Cooking Time*  
30 minutes

Serves/Makes*  
16

Ingredients*  
Ingredients for Cake 1 c. unsalted butter, room temperature Å½ c. sugar Å½ c. honey 1 tsp vanilla 2 eggs 2 c. flour 1 Tbsp baking powder Å½ tsp salt 2 tsp cardamom 1 Tbsp grated orange peel Å¼ c. ground pistachios 1 c. oat milk

Ingredients for Buttercream 1 Å¼ c. unsalted butter, room temperature Å½ c. honey 5-6 c. powdered sugar 2 tsp. vanilla 5-6 Tbsp. milk

Recipe*  
Preheat oven to 350 degrees. Line two 8â€ cake pans with parchment paper and coat with baking spray. Beat together butter and sugar. Once well combined, add honey. Add vanilla. Add eggs one at a time, beating in between each addition. Finally add in grated orange peel. In a separate bowl combine flour, baking powder, salt, cardamom, and pistachios. Mix well. Next alternate the addition flour mixture and milk to butter mixture, starting and ending with flour. Pour mixture evenly between the two 8â€ pans. Place the pans in the oven and bake for 25-30 minutes. Let cool in pans for 10 minutes before removing onto a baking rack.

Cool completely. To make frosting, cream together butter, honey and vanilla in mixing bowl. Gradually add powdered sugar, one cup at a time. Add milk 1 Tbsp at a time until the buttercream is stiff enough, but is still easy to pipe, if needed. Spread Å½ c. of icing on the top layer of one of the cakes. Put the other cake on top and add enough icing to the top and sides for the crumb coat. Place in the fridge for 15 minutes to set. Finish icing the cake to your liking. I added large roses to the side and the on the top layer. Finish by adding Å¼ to 1/3 c. ground pistachios to the top of the cake.
